

CASTEL HÖRTENBERG

PEACEFUL AND QUIET OASIS

This 5-star guesthouse welcomes discerning international travellers looking for a special hideaway. It resembles a fairy tale castle. Located in the heart of Bolzano, Castel Hörtenberg reflects the symbiosis between lived history, urban coolness and traditional craftsmanship. With only 24 rooms and suites, it offers a mix of modernity, original frescos and a dignified atmosphere. The refined interior was chosen in reference to the historic castle: individual antique pieces interact with modern design furniture. While one guest relaxes in the room, the other can rejuvenate at the spa. The restaurant serves high-quality dishes made with regional ingredients. The wine cellar offers fine South Tyrolean wines and the Podini-family's own wine from Tuscany, all served in a cosy intimate atmosphere.
